RACING RULES

- All Competitors taking part in the racing and other Club activities do so at their own risk and neither the Club nor its Officers can be held responsible for any injury or damage caused to Competitors, their property or equipment unless arising directly as a result of the negligence of a person acting on behalf of the Club.
- All races will be sailed on handicap under R.Y.A. rules. A personal handicap deduction system operates, deducting a % of PY for each win. The system is displayed on the boat house noticeboard. (Deductions are not applied to starting handicaps for Crowther Pursuit, President's Trophy, Barnes Shield and Austin Cup, although wins in these events result in personal handicap deduction). Retiring helmsmen must report to the O.O.D.
- Boats must carry effective buoyancy and crews must wear life jackets.
- A boat which does not carry the correct crew as laid down in its class rules may race but is not eligible for a trophy.
- All boats must comply with the rules of their class.
- All competing boats must have third party insurance.
- Only paid up members may compete in Club races.
- Competitors will only be eligible to win prizes if they have paid their race fees.
- Any boat sailing through the moorings will be disqualified from the race. In the Lifeboat Bay race all boats MUST land on the Ty-Coch side of the Lifeboat slipway.
- The Officer of the Day will be in charge of racing and must make sure that the Rescue Officer and his Deputy accompanies the Rescue Boat. The Rescue Boat must be away from its moorings before the race is started.
- Whilst every effort will be made to keep to the programme, adverse weather conditions may cause cancellations or substitutions. All Club notices will be displayed at the Boat House.
